Lyrics

To dream the impossible dream
To fight the unbeatable foe
To bear with unbearable sorrow
To run where the brave dare not go
To right the un-rightable wrong
To love pure and chaste from afar
To try when your arms are too weary
To reach the unreachable star
This is my quest,
To follow that star
No matter how hopeless,
No matter how far.
To fight for the right
Without question or pause,
To be willing to march
Into hell for a heavenly cause.
And I know if I'll only be true
To this glorious quest
That my heart will lie peaceful and calm
When I'm laid to my rest
And the world will be better for this
And one man, sore and covered with scars
Still strove with his last ounce of courage
To fight the unbeatable foe
To reach the unreachable star

During the AHMING, Dr. Effie Chow will read the poem "LOVE BY EMMETT FOX" FROM BOOK **MIRACLE HEALING FROM CHINA: QIGONG**. SHOW WORDS ON SCREEN

From Chapter 5 in Dr. Chow's book "Miracle Healing from China...Qigong"

Love is the most important ingredient underlying the Chow Integrated Healing System. Without love, all the highest aspirations and goodwill are empty dreams or actions. Without love, life qi is empty. And of course, without qi, life is naught. Let me share with you this poem on love by Emmett Fox which relates to my system of healing.

LOVE

There is no difficulty that enough love will not conquer;

No disease that enough love will not heal;

No door that enough love will not open;

No gulf that enough love will not bridge;

No wall that enough love will not throw down;

No sin that enough love will not redeem.

It makes no difference how deeply seated may be the trouble;

How hopeless the outlook;

How muddled the tangle;

How great the mistake;

A sufficient realization of love will dissolve it all...

If only you could love enough, you would be the happiest and most powerful being in this world.
