

Akamai University

Dedicated to improving human and planetary health

STRATEGIC PLAN SUMMARY 2023-2027

Mission:

Provide exemplary quality higher education worldwide, primarily through distance learning.

Vision:

Heart-Centred Multi-dimensional Empowerment Model of Education

Goals:

There are three primary goals:

1. Exemplary education programs including degree - bachelor, masters, doctorate, certificates, seminars and continuing education.
2. Scholarly research by faculty and students.
3. Innovative community projects improving the human condition, diversity & inclusion / ensuring racial equality / justice for all, and sustainability of the planet.

Strategic Plan

1. PROMOTE & STRENGTHEN AKAMAI UNIVERSITY

- Create effective strategies to implement mission, vision & goals.
- Produce a marketing plan of action for growth & development.
- Establish visibility of the power of a unified empowerment model of functioning.

2. CREATE AU SOLID INFRASTRUCTURE

- Develop a strong, effective leadership board and councils..
- Budget, secure and strengthen financial support for operational costs.
- Secure donations and grants for expansion, back up and growth.

3. RECRUITE TALENTED DEDICATED FACULTY & STUDENTS

- Create marketing plan including updating website & student recruitment.
- Establish solid affiliate and partner relationships that benefit all parties' mission and vision.
- Represent AU expertise in all professional arenas in practice, education and research..

4. DESIGN EXEMPLARY PRACTICE, EDUCATION & RESEARCH

- Communicate at multiple levels accomplishments achieved and in process.
- Operate through a Code of Ethics and Standards in the conduct of business.
- Work alongside international governmental agencies as required and desired.
