### Title: CAM Specialist Training: Caring For & With Animals – Large and / or Small

**Description:** This Certificate Energy Medicine Animal Specialist Training is designed for those persons interested in a professional training certificate program establishing your credentials in this field. The program works with background, expertise and interest in working with animals either large or small or both to help them and their companions to be knowledgeable in Energy Therapy.

**Energy Medicine  
Equine Program**

*We are in relationship with animals... as they heal, they too can heal us. Learn the unique ways animals share interdependently with us.*

**Goal:** The Certificate Program is offered to support individuals desiring to work with animals and or assist others to do the same through using energetic approaches with animals either large and/ or small animals or both large and small animals.

**Energy Medicine  
Small Animal Program**

**Certificate Energy Medicine Specialist Program**  
**Caring for & with Animals**  
**2021 – 2024 Curriculum**

**Continuing Education Units:**

This Certificate Program consists of 9 Continuing Education Units or a minimum of 90 - 100 contact hours of training and clinical supervision that leads to Certified CAM Specialist in Energy Medicine with Animals.

**Curriculum:**

- Part I – Preparation to Become an Energy Medicine Animal Specialist
  - Animal Introductory Seminar = 3 contact hours
  - Caring for Animals Specialist Training Level I = 16 contact hours
  - Caring for Animals Specialist Training Level II – 16 contact hours
  - Ethical dimensions = 3 contact hours
- Part II - Practicum, Documentation & Evaluation supervised with a Mentor
  - 30 contact hours done over time with animals (more hours may be required depending on the ability of the specialist in training)
  - 16 contact hours' supervision minimum
  - 10 contact hours' projects with animals
- Part III – Certification through Energy Medicine Partnerships International – Documentation of clinical practice as verified by an outside review body that ensures safe, and includes ethical practice operating under a Code of Professional Conduct = 7 contact hours

**Descriptions**

**LEVEL I Energy Medicine Animal Specialist Training:**

During this course the student will build on his / her personal interest and or professional training in the health care field or another field, apply energy based therapies from previous training such as Transform Your Life through Energy Medicine, Healing Touch, Reiki, Subtle Communication Systems, Therapeutic Touch, Energy Medicine, Touch for Health, Energy Psychology, Yogi, Tai Chi or Qi Gong, Sound Healing, Life Coaching, Naturopathy, and other eligible energy training. Includes also energetic self-care to then apply to clients, Explore the ethical dimensions in providing energy-based care. Define your role and establish an energy-based practice. Complete supervised specialist training with a mentor and then present professionally to your peers through workshop and / or publications on your specialty as then verified in Part 2.

**LEVEL II Animal Specialist Training**

This is usually taken 6 months to a year later and provides the documentation of fulfilling the requirements of specialist training. It can be done on line as well as in person with peers. The completion requires about 9 hours of contact hours to verify the specialty training. The person will be awarded the title Energy Medicine Animal Specialist.

**Certification**

Once completing the Energy Medicine Animal Specialist training the person can submit their credentials to EMPI certification board for the awarding of Certified Energy Medicine Animal Specialist. A documentation packet is to be completed that will be addressed in PRACTICUM Specialist training.
