Lyrics
To dream the impossible dream  
To fight the unbeatable foe  
To bear with unbearable sorrow  
To run where the brave dare not go  
To right the un-right able wrong  
To love pure and chaste from afar  
To try when your arms are too weary  
To reach the unreachable star  
This is my quest,  
To follow that star  
No matter how hopeless, No matter how far.  
To fight for the right  
Without question or pause,  
To be willing to march  
Into hell for a heavenly cause.  
And I know if I'll only be true  
To this glorious quest  
That my heart will lie peaceful and calm  
When I'm laid to my rest  
And the world will be better for this  
And one man, sore and covered with scars  
Still strove with his last ounce of courage  
To fight the unbeatable foe  
To reach the unreachable star

Closing Song

Let There Be Peace on Earth.

“Let There Be Peace On Earth” is a beautiful and inspiring song by Jill Jackson and her husband Sy Miller.

Jill wrote the lyrics in 1955 while Sy wrote the music. The song is about peace and spirituality, making it easy to cross boundaries between people, whatever their background.

LYRICS

Let there be peace on earth
And let it begin with me
Let there be peace on earth
The peace that was meant to be.

With God as our Father
We are family
Let us walk with each other
In perfect harmony.

Let peace begin with me Let this be the moment now.
With every step I take
May this be my solemn vow.

To take each moment and live
Each moment in peace eternally Let there be peace on earth And let it begin with me.
